

Enrolment Scheme

In order to maintain the highest standard of education delivery, Raroa has an enrolment scheme designed to manage the roll to a level determined by its physical resources to avoid overcrowding.

The Raroa Normal Intermediate School Home Zone

All students who live within the home zone described below shall be entitled to enrol at the school. Siblings of out of zone students will be enrolled only where the agreed manageable roll is not exceeded.

The Home Zone for Raroa Normal Intermediate School will include the following Streets or identified sections of street and the areas bounded within them:

- Southern Boundary – All houses on both sides of all streets and roads north of the intersection of Wilton Bush Rd and Blackridge Rds with Churchill Drive, including both sides of Chartwell Drive and all addresses in and north of Martha Place, John Witton Drive, Kilgour Way and Sasanqua Way, across north through to Takarau Gorge Road, Hawkes Gully to the sea north of Makara and Smiths Bay, all addresses in Benbrook Way, Melba Ave, Trelissick Cres, Jacobsen Lane and Hewett Way and north of Ngaio Gorge Rd, Kaiwharawhara Rd and the Hutt Rd as far as its intersection with Ngauranga Gorge.
- Western Boundary – Cook Strait
- Northern Boundary – south of Arohata, following the ridge line running northwest from Marshall's Trigg to Cook Strait.
- Eastern Boundary – western side of Johnsonville / Porirua Motorway, Centennial Highway, Ngauranga Gorge and main Wellington urban motorway.

Home Zone Enrolments

Each year, a date will be set for in-zone enrolments. This will enable the board to assess the number of places which can be made available to students who live outside the home zone.

Out of Zone Enrolments

Each year the board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by a notice in a local community newspaper and at local schools. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

First Priority will be given to applicants who are siblings of current students.

Second Priority will be given to applicants who are siblings of former students.

Third Priority will be given to applicants who are children of board employees.

Fourth Priority will be given to all other applicants.

If there are more applicants in the second, third, fourth or fifth priority groups than there are places available, selection within the priority group will be by a ballot. Parents will be informed of the date of any ballot by a notice published in a local community newspaper and at local schools.

Applicants seeking second or third priority status may be required to give proof of a sibling relationship.

Proof of residence within the home zone may be required.
